Pediatrics Special Interest Section
Tuesday, January 17, 2006
St. Lukes – Meridian

Present:

Gail Brown, Marly Irwin, Jeanette Runnings, Cary Hubert PT, Sherri Koning,
Becki Stephens, Ludee Vermaas, Linda Jackson

The meeting started at 6:30 and ended at 8:30.

The meeting began with a discussion of future meetings and upcoming workshops. The plan at this time is to see if Carrie Mori can speak to us at the next Peds SIS meet in April about feeding and toddler issues.

Mary Benbow is scheduled for this year's annual state conference. Diana Henry is scheduled to come in January or February 2007 and Rosemary White is tentatively scheduled for the 2007 annual state conference.

Dinah Reilly, PT shared her research on the Development of Postural Control. The effects of the dual task condition and discussion of her findings and implications for treatment followed.

Prepared by Jeanette Runnings, SIS Coordinator
